NOTICE: The expiration date displayed in this record is the date the registrar's sponsorship of the domain name registration in the registry is currently set to expire. This date does not necessarily reflect the expiration date of the domain name registrant's agreement with the sponsoring registrar. Users may consult the sponsoring registrar's Whois database to view the registrar's reported date of expiration for this registration.

TERMS OF USE: You are not authorized to access or query our Whois database through the use of electronic processes that are high-volume and automated except as reasonably necessary to register domain names or modify existing registrations; the Data in VeriSign Global Registry Services' ("VeriSign") Whois database is provided by VeriSign for information purposes only, and to assist persons in obtaining information about or related to a domain name registration record. VeriSign does not guarantee its accuracy. By submitting a Whois query, you agree to abide by the following terms of use: You agree that you may use this Data only for lawful purposes and that under no circumstances will you use this Data to: (1) allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via e-mail, telephone, or facsimile; or (2) enable high volume, automated, electronic processes that apply to VeriSign (or its computer systems). The compilation, repackaging, dissemination or other use of this Data is expressly prohibited without the prior written consent of VeriSign. You agree not to use electronic processes that are automated and high-volume to access or query the Whois database except as reasonably necessary to register

register domain names or modify existing registrations. VeriSign reserves the right to restrict your access to the Whois database in its sole discretion to ensure operational stability. VeriSign may restrict or terminate your access to the Whois database for failure to abide by these terms of use. VeriSign reserves the right to modify these terms at any time.

The Registry database contains ONLY .COM, .NET, .EDU domains and Registrars.

Search results obtained from the RegistrarSafe, LLC WHOIS database are provided by RegistrarSafe, LLC for information purposes only, to assist users in obtaining information concerning a domain name registration record. The information contained therein is provided on an "as is" and "as available" basis and RegistrarSafe, LLC does not guarantee the accuracy or completeness of any information provided through the WHOIS database. By submitting a WHOIS query, you agree to the following: (1) that you will use any information provided through the WHOIS only for lawful purposes; (2) that you will comply with all ICANN rules and regulations governing use of the WHOIS; (3) that you will not use any information provided through the WHOIS to enable, or otherwise cause the transmission of mass unsolicited, commercial advertising or solicitations via e-mail (i.e., spam); or (4) that you will not use the WHOIS to enable or otherwise utilize high volume, automated, electronic processes that apply to or attach to RegistrarSafe, LLC or its systems. RegistrarSafe, LLC reserves the right to modify these terms at any time and to take any other appropriate actions, including but not limited to restricting any access that violates these terms and conditions. By submitting this query, you acknowledge and agree to abide by the foregoing terms, conditions and policies.
